Dear Mrs Manley.

I have everything complete on posters and advertisement in the different cities we are to play. I find only one obstacle that is at Indianapolis Chicago & Kansas City is in there before we play on Aug 20th. I don't think it will hurt our crowd. Now about Labor Day. I am not so hot for Washington. If you have any suggestions I am ready to listen to them. Washington is not so good after middle of June. Let me know where we might play on Labor Day?
